## Function & Design

### AIR MESH

- Ultra-lightweight, breathable air mesh material for maximum comfort
- With cooling effect: the harness cools when immersed in water, as the stored water between the fabrics works as a heat exchanger - ideal on warm summer days

### SAFETY RINGS

- Two one-piece safety rings in order to handle the tension of the leash in a perfect way

### ADJUSTABLE CHEST BELT

- Best ergonomics and fitting due to adjustable chest belt
- 5 basic sizes can be fitted to the dogs body shape perfectly

### curli SAFETY

- Reflective elements on the neck for additional safety in the dark
