Function & Design

AIR MESH

- Ultra-lightweight, breathable air mesh material for maximum comfort
- Extra light-weight: 49 gr (size 2XS)
- With cooling effect: the harness cools when immersed in water, as the stored water between the fabrics works as a heat exchanger - ideal on warm summer days

curli MAGNETIC CLOSURE

- self-closing, magnetic D-ring closure

3-D COMFORT FIT

- Significantly improved ergonomics and optimized fit due to new 3-D Comfort Fit pattern and new size scale
- Perfected tension distribution thanks to bands sewn into the seams of the harness
- Zig-zag seams for flexible tension distribution
- Anatomical shaped neck area
- Size adjustable with Velcro to fit the body shape
- Lined buckle and therefore no pressure points

curli SAFETY

- Reflective elements on the neck for additional safety in the dark
- DogFinder ID to help you find your dog in case it gets lost
